

March 2008

We hope you had fun planting your seeds last month and are eagerly awaiting them to sprout up. It should not be long now!! If you have any questions that can not be answered by looking at your care sheet, please feel free to call or email us.

Next month will be our Linder's Greenhouse tour. We will be touring all areas of operation. We ask that you please be here on time so our tour does not extend into the next class time. Please meet us in the herb area of the Annual House (in the back SW corner). If you are running late please check in with Customer Service and we can have some one meet you there and catch up with the tour. The most important piece of information is that this month the event will take place on **March 29<sup>th</sup>**.

**Our Spring Open House Weekend is April 12<sup>th</sup> and 13<sup>th</sup>.**

Take a tour of our Lake Elmo facility. Call Linder's customer service to reserve your spot today. You may also drive to the growing facility (a map is included) and meet up with the tour. Call Linder's customer service for tour times.

We will see you on **March 29<sup>th</sup>** for the tour!!

From,

The Little Sprouts Club Team Members
